

DECLARATION FOR PATENT APPLICATION

As a below named inventor, I hereby declare that:

My residence, post office address, and citizenship are as stated below next to my name,

I believe I am the original, first, and sole inventor (if only one name is listed below) or an original, first, and joint inventor (if plural names are listed below) of the subject matter which is claimed and for which a patent is sought on the invention entitled

METHOD AND APPARATUS FOR IMPROVED PAGING RECEIVER AND SYSTEM

the specification of which is attached hereto.

I hereby state that I have reviewed and understand the contents of the above-identified specification, including the claims, as amended by any amendment referred to above.

I acknowledge the duty to disclose to the Office all information known to my person to be material to the patentability of this application as defined in Title 37, Code of Federal Regulations, Section 1.56. I acknowledge the duty to disclose to the United States Patent and Trademark Office all information known to me material to the patentability as defined in 37 CFR §1.56, which became available between the filing date of the prior application and the national or PCT filing date of the continuation-in-part application.

This Application claims the benefit of the filing date under 35 USC §§119 and/or 120, and 37 CFR §§1.60 and 1.78 to the following U.S. and U.S. provisional patent applications, and is a continuation-in-part of the U.S. patent application:

1. U.S. provisional patent application serial no. 60/005,029, filed on October 6, 1995, entitled "Method and Apparatus for Improved Paging Receiver and System"; and
2. U.S. patent application serial no. 08/177,851, filed on January 5, 1994, entitled "Method and Apparatus for Enhancing the Efficient Communication of Information in an Alphanumeric Paging Network".

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
